The principal represents an important link between teachers, parents, students, and the administration. With a Master of Arts Degree in Administration and Supervision of Secondary Schools, Mr. Fegan readily accepts the challenge of the principal's role.

Mr. Fegan came to Pinconning in 1962. Since that time, he has served as junior-senior high school teacher, baseball and football coach, and acted as adviser for many student and faculty organizations.

MR. KENNETH G. FEGAN

Assistant Principal

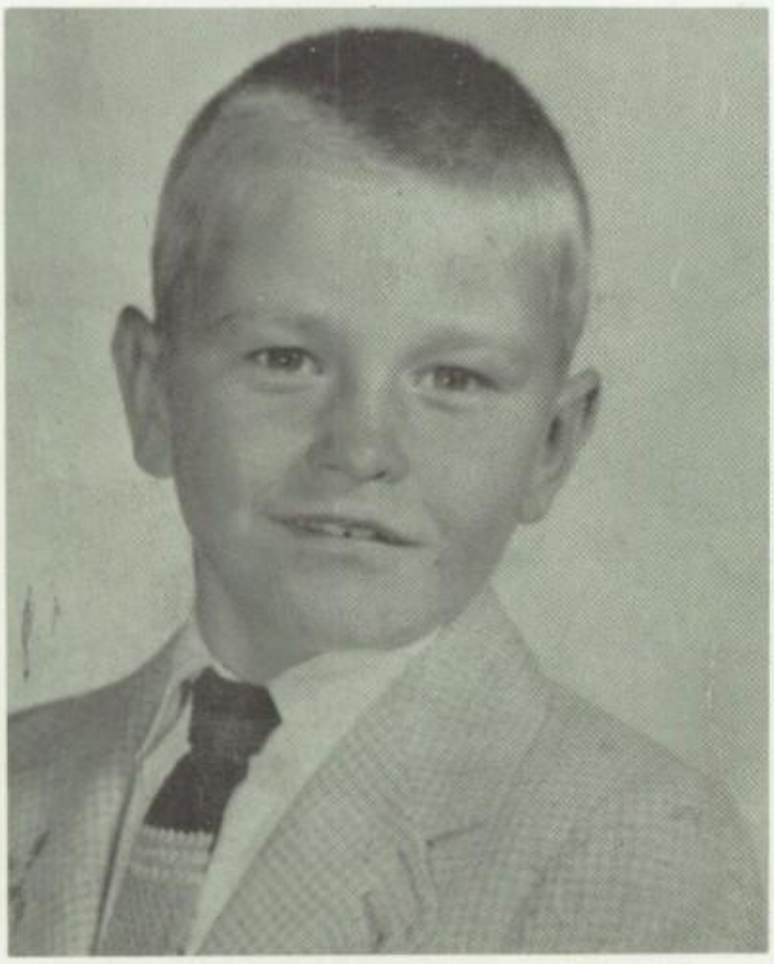
Dedication

MR. THOMAS L. PROVOST

Mr. Thomas L. Provost, a native of Cheboygan, came to the Pinconning Area Schools in August 1969. Prior to his position here as Assistant Principal, he was a counselor for the Alpena Community College. Mr. Provost passed away on November 17, 1970.

We, the Senior Class, wish to dedicate the 1971 Spartan to our former Assistant Principal, Mr. Thomas L. Provost, and classmate and friend, Peter O. Lánczak.



PETER O. LANCZAK

"I better go home, my parents might be worried" -

At the age of twelve, Peter made the above remark to his friend John Ouillette's request, that he stay a while longer for John's birthday.

"The Snowflake Fantasy" and the homecoming float, "Thou Art the Mighty Spartans," are two projects which will always be remembered by the seniors.

Bay-Arenac Government Day proved to be very successful in the eyes of the senior class this year. Their day at Delta College gave them a new outlook on government and its present-day problems.

Without the outstanding leadership of our class officers, these projects wouldn't have been possible.

The class of "72" was very proud to break the tradition of receiving class rings as juniors and received their rings in their sophomore year. Under the leadership of Roger Schultz, we feel we have gained much respect throughout our junior year. Much planning and hard work produced a class play - and, of course, the annual Spring Prom which did much to add a special accent to the second semester.

The sophomore class sponsored many activities throughout the past year. The attitude of the sophomore has greatly improved, and was shown in the participation of our dances and float. Although our float did not take first place, we enjoyed working on it immensely. Last October, when we ordered our class rings, the anticipation of the class steadily grew. When April came around the anxiousness to receive our rings was almost overwhelming. In future years, we hope to achieve the goal of leaving Pinconning knowing that they will remember the "Class of '73".

Student Council

One of the basic concerns of the Student Council this year was the Commons. The members put much time and effort into the task of selecting the best carpeting for the area and obtaining the money to pay for it. Perhaps the major contribution the Council made to the student body was changing the dress code. After four months of hard work, the Board and Student Council agreed on a new liberalized code on a trial basis.

During the school year, funds were raised by having a school magazine and Pinconning Journal sale. Gifts were purchased and sent to a state hospital at Christmas. Also, the group collected funds for UNICEF at the Homecoming game.

The Club attended the Presidents' Convention held at Aquinas College in Grand Rapids and also its state convention at Michigan State University. Lynn Corbat placed third in the State Mythology Contest.

Throughout history, man has recognized and marked for special honor those who excel. Around the turn of the century the idea for a society to recognize excellence in high school students was suggested at the annual meeting of the National Association of Secondary-School Principals. In 1921, the National Honor Society of Secondary Schools became a reality. By 1967, when our Pinconning Chapter was founded under the principalship of Michael McHugh and the guidance of Fred Burkhart, more than 16,533 schools across the country had active members. Each chapter is to create an enthusiasm for SCHOLARSHIP, to stimulate a desire to render SERVICE, to promote worthy LEADERSHIP, and to encourage the development of CHARACTER in students of the secondary school - these then are the four qualities for which the National Honor Society stands.
